

Consent to provision of information by the Referrer to Twelves Company

I have been made aware of the support offered by the Sexual Assault Referral Centre, and wish to access this service. I have been made aware that I must give my consent for Twelves Company to obtain information, personal to me, from the referrer's information systems.

Any information shared would be relevant personal information linked to the previously reported incident.

Additionally, where this is relevant to the support service to be provided, information disclosed may include previous records where I was the victim.

Information shared in this way would comply with the agreement between the Referrer and Twelves Company, which governs this procedure, and will not be used for any other purpose.

I have been made aware that where a statutory duty exists certain information may be disclosed without my consent.

This agreement complies with the requirement for explicit consent to be given under Schedule 3 of the Data Protection Act 1998.
